1. Introductions

J. Williams opened the virtual call meeting of Healthy Pontiac, We Can! at 1:05 p.m.

2. COVID-19 Testing

J. Williams informed members Oakland County in collaboration with Honor Community Health will begin drive through COVID-19 testing on Thursday, April 16th. The drive through testing is by appointment only, Monday – Friday from 9 a.m. to 5 p.m. To make an appointment call OCHD's Nurse on Call at 800.848.5533. Nurse on Call will begin scheduling appointments tomorrow, Wednesday, April 15th. She said Pontiac residents will be one of the first priority groups tested along with first responders, essential workers, people over 65, and those with underlying medical conditions. They expect to test 50 to 100 people as they begin testing on Thursday and Friday of this week and are expecting to have capacity to test up to 250 a day starting next week. J. Williams will send out a map with the campus testing location as soon as it is available.
