

HEATHER DUENAS

Community Engagement Director,
The Baldwin Center

Description of Organization:

The Baldwin Center is a nonprofit that has been in the community for almost 40 years. We strive to feed, clothe, educate, and especially empower the citizens of Pontiac and surrounding areas.

What would you like to highlight about your organization?

We have an amazing STEM program for middle and high school students. We are also planning some fun fitness activities over the next few months.

What are you most proud of in Pontiac?

The idea that we are in the process of working together to make a comeback, it's no accident that our mascot is the Phoenix!

Favorite healthy meal/snack?

Sweet and spicy trail mix... low sodium of course!

Favorite exercise?

I really love to walk! It's very cleansing.

Three fun things about me:

1. If all goes according to plan, I will graduate from Oakland University next May!
2. I was the 2018 Parent Volunteer of the Year for Sheriff PAL.
3. I taught myself Spanish and I am completely fluent!
